

Home Care Package Pricing Schedule

You have lived independently for most of your life, why should that change just because of age?

We want you to continue to enjoy life and maintain your connection with Family, friends and your local community. At ConnectAbility we value and respect your decision to have control of how you live your life and to stay living in your home as long as possible. ConnectAbility is a local provider, staffed by local people with 25 years' experience in working with people to tailor services for their unique needs.

We can assist you with as little or as much support as you choose.

Care Management: Our Case Managers at Connectability will work with you, you're family or representative collaboratively to plan, facilitate and advocate to meet your individual goals. Through communication/assessment and available resources to provide holistic, quality cost – effective outcomes.

Allied Health and Nursing Services: professional services such as physiotherapy, occupational therapy, podiatry, clinical support, nursing, dietician, speech pathology, social work, exercise physiology will vary depending on your requirements. A quote will be sourced for any professional services and recommended equipment.

We also have access to additional services within the community that we can connect you with should that be something you choose such as home modifications, home and garden maintenance and access to home and safety equipment and many more.

*Pricing is covered by the allocation of your Home Care Package. Extra services are available if required.
